

How to order a postal kit using your online account with Unity Sexual Health

To use the Online Booking process, you will need to create an online account. This will register you as a patient on our system.

1. Please access your Online Account.

The screenshot shows a login form titled "Account Details". It contains two input fields: "Username/Email" and "Password". Below the password field is a "Sign in" button. At the bottom of the form, there are links for "Register", "Forgot password", and "Help".

2. Click on the "Home Test Kits" box

The screenshot shows a vertical menu with six blue buttons. From top to bottom, the buttons are: "Account Details" (with a person icon), "Clinic Registration" (with a document icon), "Appointments (not yet available)" (with a calendar icon), "Home Test Kits" (with an envelope icon), "Event History" (with a clock icon), and "Messages" (with a speech bubble icon).

3. You now see a box listing "Home Testing Kits".

The screenshot shows a page titled "Home Testing Kits" with five test kit options. Each option includes a description, an "Order" button, and a "Details" button.
